

2202 McGowan St.
Enderby, BC
V4Y 4A9

Woodford Forestry Services Inc. is a growing company operating in the Okanagan and Shuswap areas. Enderby is centrally located between Vernon and Salmon Arm on the beautiful Shuswap River.

Woodford Forestry offers:

Benefits package,
Gear allowance,
Flexible environment allowing team members to balance their home / work life.
A high proportion of local work.

We are looking for motivated, detail-oriented team members to the following positions:

Waste and Residue Surveyors

As a Waste and Residue Surveyor you will work primarily in the field completing and assisting with waste and residue survey projects.

Duties:

- Work independently and in crew environment with an attitude towards safety.
- Field Survey work: Establish plots, collect and measure sample data.
- Assist in the preparation of sample plans, compile survey data and field mapping.

Requirements

- Understanding or forestry survey and sampling principles.
- Timber cruising or scaling knowledge preferable.
- A diploma or degree in forestry or related experience preferred.
- Field orienteering skills. (Map, compass, Ipad with Avenza Maps)
- Detail oriented and self motivated.
- Valid Class 5 Driver's Licence.

This is a full time Seasonal position. A year-round position may be extended to the right person following the season.

Salary Range: \$22 - \$29 / hour.
